Located in the former Coppin's Department Store, the hotel features 114 guestrooms with vintage touches and modern tailoring, the award-winning Coppin's Restaurant + Bar, an outdoor courtyard, and several unique event spaces, including the Eva G Farris Ballroom.

Hotel Covington's Coppin's Restaurant + Bar is driven by hyper-local sourcing and collaborative partnerships throughout its surrounding region. Coppin's unique culinary position represents influences from Covington's Northern and Southern neighbors highlighting local craft beers, cider and sodas along with wine and cocktails on draft.

PARTNERSHIPS

Our connections to the community span far beyond its historical address. The hotel works tirelessly to foster and cultivate vibrant partnerships with local entrepreneurs who share John Roberts Coppin's perseverance and willingness to take a chance. In fact, the reason the building stands today is because of a chance bet on a long shot horse named Knowledge when the construction money was running low. In that same vein, Hotel Covington continues to tip our hats to the chance takers in the region, like Braxton Brewery, Grainwell, Maverick Chocolates, Madison Event Center and Donna Salyers Fabulous-Furs, to name a few.
